## Harmony *in the home*

It's the most important living space of all, the beating heart of every house. It's where families come together, friends chat and couples unwind. At Symphony, we've created a collection to give you a kitchen that you'll love. A place where not just spectacular food, but memories are made and shared.

Seek inspiration from our collections then spend some time with your kitchen specialist to bring your room to life.

Welcome to Gallery.

50 years of expertise

50 YEARS  
1971

Highest  
Standards

Welcome to the Gallery brand of kitchens from Symphony, one of the UK's largest suppliers of fitted kitchen, bedroom and bathroom furniture. Symphony has been making kitchens in Britain for over 50 years and are constantly investing in ways to improve the quality of our products to create the perfect living space.

Hand picked  
Retailers

Symphony has carefully selected and built strong relationships with your local retailer so that you can enjoy purchasing your new kitchen. This means you get the best choice of kitchens to suit your lifestyle and a design service from experts that help create the space that is right for you.

Quality  
Service

Symphony has quality control systems that are accredited to BS 9002 Part 2 and ISO 9001-2008, plus all Gallery kitchen furniture passes the FIRA Gold product certification. FIRA's ongoing auditing procedures continuously benchmark our performance, giving you the peace of mind that you are acquiring quality furniture that is built to last.

Ten year  
Guarantee

Each piece of furniture from Symphony is assured with a 10 year guarantee. Stringent quality control systems guarantee you receive the best quality furniture that is built to last, so you can buy our furniture with complete confidence.

In harmony with the planet

With over 50 years of experience we understand the importance of operating in a responsible, sustainable manner.

We are proud of our history of innovation and continuously review and enhance our operations to ensure that Symphony is a leading example of sustainability within our industry.

Sustainable  
Products

100%

Four decors use 100% recycled chipboard.  
Our cabinet chipboard is made from a minimum of 50% recycled material

We ensure that our timber based wood furniture is sourced from responsibly managed forests and is FSC® certified.

100%

All of our plastic cabinet legs are made from 100% recycled plastic.

Sustainable  
Operations

Our delivery fleet is amongst the most fuel efficient on Britain's roads, plus we include Hybrid Electric Vehicles in our company car fleet.

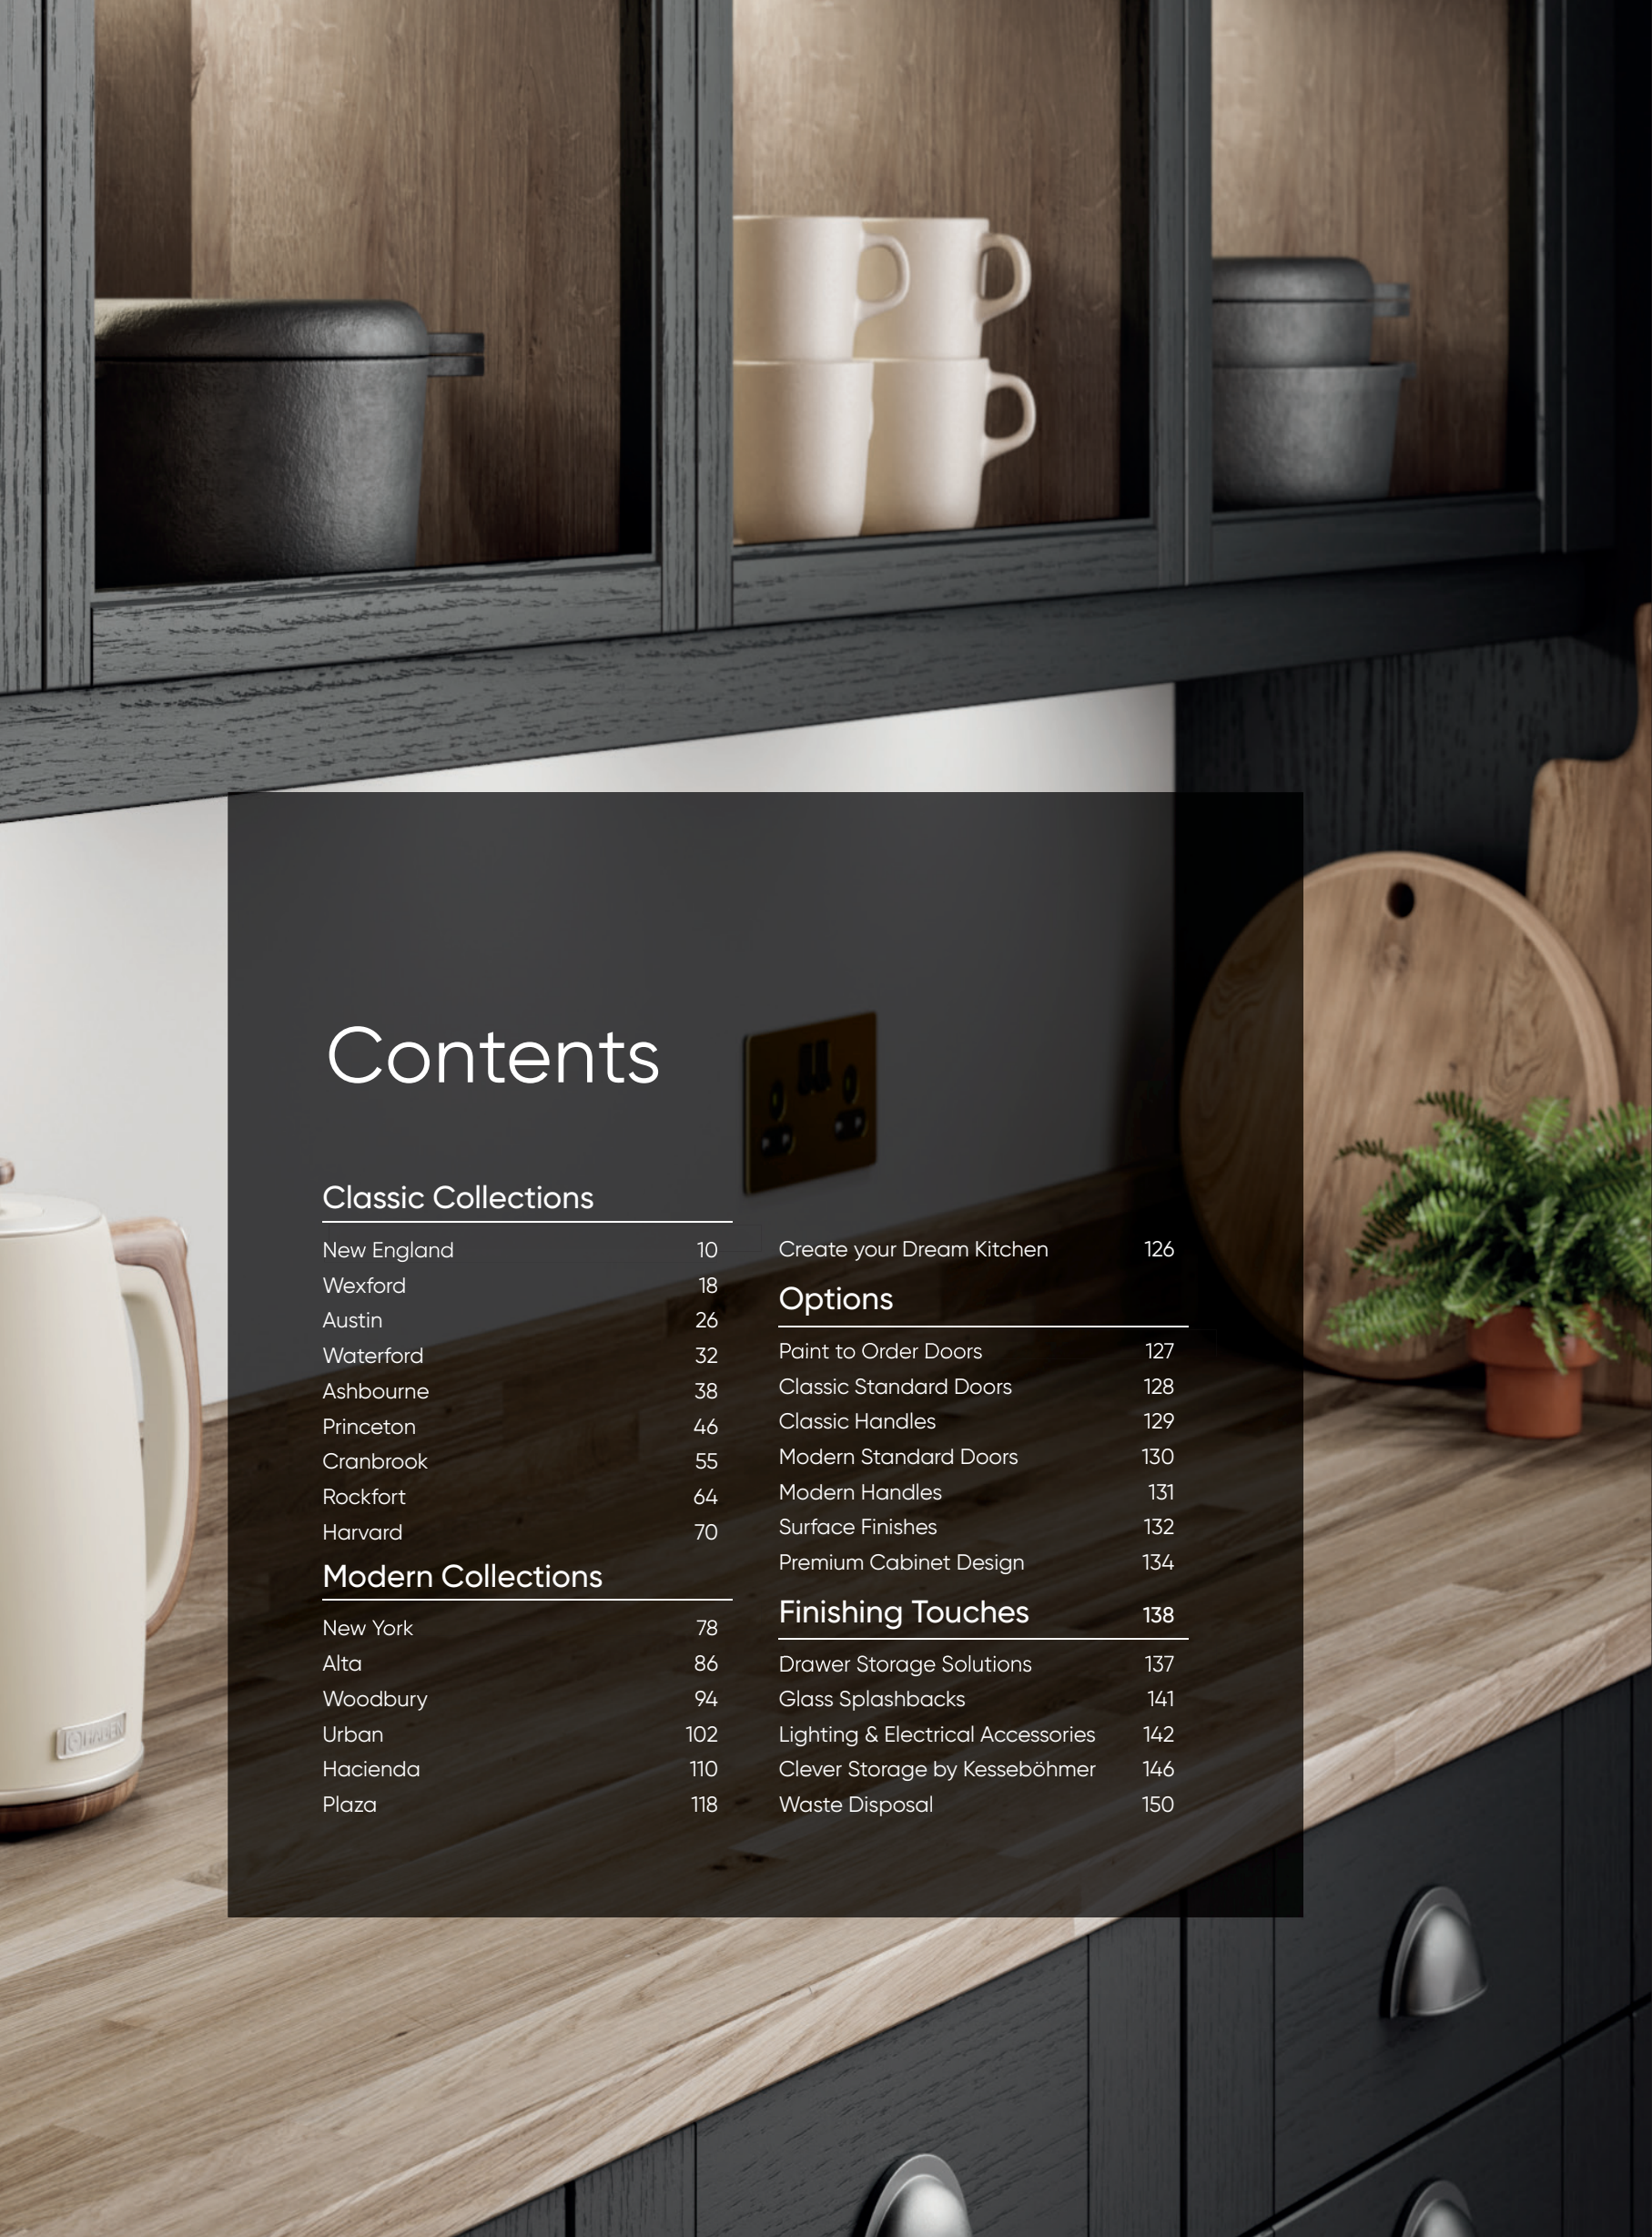

0%

None of our manufacturing waste is sent to landfill and our literature is now produced on carbon balanced paper.

Our manufacturing site is fueled by our 100% recirculation biomass fired boilers to optimise waste and minimise emissions.

# New England

---

Kitchen design doesn't get any more traditional than a true in-frame cabinet. New England brings together classic craftsmanship with subtle detailing that adds sophistication to any space.

*Inspired By English Country Living*

**Price Point £££**

### Smart storage

Stunning pantries look great in country style kitchens as well as providing fantastic storage space to house food, utensils, drinks, glasses and much more.

## New England

English country living mixes antique textures with a dash of modern. New England is the perfect choice of kitchen, which can be teamed with traditional country features or styled with a modern edge.

### Island designs

An island is a focal part of the modern kitchen and is especially useful for cooking and entertaining as well as providing useful storage features such as shelving and pan drawers.

### Display cabinets

Display cabinets have always been an integral part of traditional country kitchens. New England features a range of choices to display your most treasured items.

## 20 Painted door finishes

All our New England doors are 22mm ash veneered frame and centre panel. Available in twenty painted to order colours.

# Glass Hob splashbacks

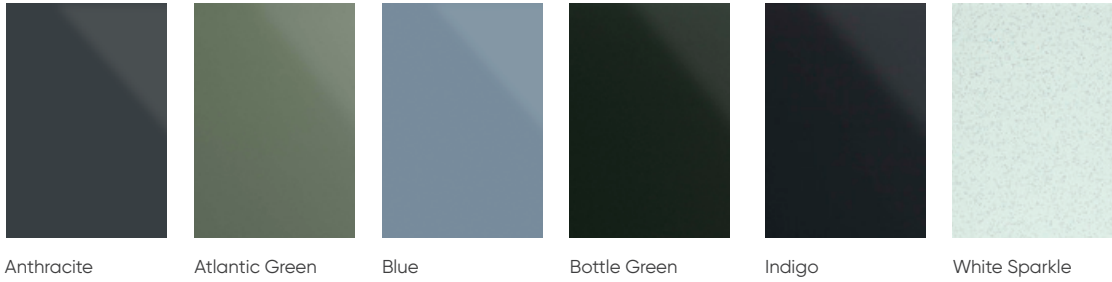

## & Upstands

Glass is such a wonderfully versatile material, a great alternative to tiles, but the appeal goes far beyond the practical. It can also make a centrepiece for the entire kitchen.
